Terms of this auction. Please read!

Everything is sold as is, where is with no guarantee of any kind. Buyers shall rely entirely upon their own inspection and information. All sales are final. You are responsible for your purchases and every item must be paid for today. Northeast Auctioneers, LLC is solely an agent and is not a party to any contracts for the sale of any item sold at this auction. We will not be held responsible for accidents on premises.

Archaeological resources excavated or removed from public lands remain the property of the United States Government. Archaeological resources excavated or removed from Native American lands remains the property of the Native American or Native American tribe having rights to ownership of such resources. Northeast Auctioneers, LLC disapproves of the purchase, sale, or exchange of any archeological resources or any offer to sell, purchase, or exchange said resources, if the resource was excavated or removed to violation of any

provision, rule, regulation, ordinance, or permit in effect under a different provision of federal state or local laws.

Payment by cash or good check with proper ID. Mastercard and Visa will be accepted, subject to a 4% handling fee. Cash preferred.

This catalog is a guide only drawn from sources we deemed reliable. However, it is only a guide and you are to rely 100% on your own analysis and judgement prior to bidding on any item.

There is no live internet bidding at a Northeast Auctioneers, LLC event. Phone bids are welcomed and appreciated. Those who can not attend we will do our best to text you photos of your items of interest on Friday PM, the day prior to the auction.

The auction auditorium is under high armed security at all times.

Those firearms that are antique in nature will be handed out. Certain other firearms require an FFL or Form 4473. Bring your firearm purchase permits.

Proper Paperwork Required! \$25 per weapon transfer fee will be charged. \$10 per weapon if transferred to an FFL. No fee on antique weapons.

Every three to four lots during the auction a firearm will be sold.

Many of the firearms offered are 50 to 100 years old or more. Prior to firing any of these weapons they should be evaluated by a qualified gunsmith for operational safety and confirm the accuracy of the caliber. In most cases our listing of a caliber was based on notes found with the estate guns.

We will sell one table of early bird merchandise at 9 am to start the auction.
